So, good Intergroup Representatives, there is a lot to consider and a lot for you to carry back to your groups. As always, our guide is a loving God as He may express Himself in our group conscience.

As the Dallas Intergroup Board of Trustees and as fellow AA members, we collectively suggest each group look closely at the Twelve Traditions regarding the items of concern in this letter. Much fact finding, phone calls, contacting other areas of the country experiencing our problem here, and generally doing what our Board Committees are designed to do, has brought out information that needs to be addressed at the group level.

Yours in service,

Joe S., Chairman  
Dallas Intergroup Board of Trustees
