1. **\$65.00** was collected from the basket.
2. Two reports, front and back are included, and the third page is group contributions for January. The P&L shows that contributions had been slowing but are now back to previous levels. Sales have also increased. In addition, Net income is \$4,800 compared to \$4,600 in 2019. On the balance sheet, our cash on hand, operating account and prudent reserve is almost \$54,000. At the end of March, we will create another transfer into the Prudent Reserve. Please check with your group treasurer and then contact Jim or Dave if your group's contribution is missing from the report.

### OFFICE REPORT: Dave H.

1. Lease is in place until 7/2021, but the landlord is providing us an opportunity to review new space. We have visited two locations and the site committee is touring one spot that is highly desirable. Nothing new to report currently. The new space search includes a goal to locate a property that is larger at a lower cost.
2. The Monday afternoon shift is open since the first of December. Please help refer individuals who could work a 3 to 4-hour shift. One year of sobriety is requested but not required.
3. Spanish Speaking Meetings DIA Website – Spanish speaking meetings listed on the Oficina Intergrupala de Dallas have been added to the DIA website and now appear on the Meeting Guide app as well.
