

North East Texas Area of Alcoholics Anonymous Spring Assembly • March 20 – 22, 2026

What is the Spring Assembly?

The Spring Assembly is where A.A. members from across North East Texas Area 65 (NETA 65) gather **to help shape our collective group conscience.**

On **Saturday from 8 am – 1 pm**, A.A. members participate in **Mock Committees**—small discussion groups modeled after the General Service Conference committees (Literature, Public Information, Treatment, Grapevine, and more). These committees:

- Review proposed General Service Conference agenda items
- Discuss how they may impact A.A. as a whole
- Share the “group conscience of the Area”

The outcome of these discussions helps guide our Area’s Delegate when they participate in the General Service Conference this April.

Because the final responsibility and ultimate authority in A.A. rests with the groups, **all A.A. member’s participation matters.** By showing up, sharing experience, and engaging in the process, YOU help ensure that decisions affecting A.A.’s future reflect informed and representative group conscience.
